PAID APPRENTICE SCHEME

As part of our mission to make physical theatre more accessible, we're offering a paid apprenticeship at each stop of our tour!

This opportunity is for someone (no age limit!) with no prior professional theatre experience who's curious about pursuing a career in the arts. You'll shadow our team during load-in, tech, and dress rehearsal, getting a behind-the-scenes look at how a show comes together.

Whether you're interested in tech, acting, devising, company management, or running a theatre company, this is a chance to explore it all in a hands-on, supportive environment.

● The apprentice will be paid £150.

📍 We're currently looking for someone in the Ipswich area (April 18th) and the Bristol area (April 24th).

TO APPLY, EMAIL US AT
