

INTRODUCTION TO PHYSICAL THEATRE AND DEVISING

A
VOLOZ COLLECTIVE
WORKSHOP

Join Voloz Collective for a dynamic, hands-on introduction to physical theatre and devising!

This free workshop is open to all — any age, any experience level. Whether you're brand new to theatre or already passionate about devising, this is a chance to jump in, get moving, and discover new creative tools in a fun, supportive environment.

We'll explore the fundamentals of physical theatre and ensemble storytelling through playful games, guided improvisations, and collaborative scene-building — all rooted in the Lecoq-inspired techniques that Voloz uses in our own creative process.

No experience needed — just curiosity and a willingness to play!
